

DALTON HIGHWAY ROAD CONDITIONS

www.calledtowander.com

Mile Markers	ROAD CONDITION	COMMENTS
0 – 17	Dirt/Gravel	Steep grades in both directions
17 – 18	Gravel/Paved	
18 – 22	Paved	Significant road damage
22 – 36	Dirt/Gravel	
36 – 48	Paved	LOTS of frost heaves
48 – 89	Dirt/Gravel	
89 – 109	Paved	TERRIBLE, potholes, stretches of road that turn to dirt/disappear
109 – 110	Dirt/Gravel	
*** 115	ARTIC CIRCLE TURNOFF	Photo Opportunity
110 – 135	Paved	Potholes NOT FILLED
135 – 143	Paved	Potholes mostly FILLED
143 – 158	Dirt/Gravel	
158 – 165	Paved	OK, with some frost heaves
165 – 175	Paved	
*** 175	COLDFOOT	Best place for fuel and coffee!
175 – 210	Paved	BEST stretch of highway! You can easily and safely drive up to speed
210 – 340	Dirt/Gravel	Hard packed dirt with loose gravel
*** 245	ATIGAN PASS	Highest elevation for drive
340 – 347	Paved	Higher quality pavement
347 – 359	Dirt/Gravel	Bumpy, frost heaves
359 – 363	Paved	Decent with few potholes or bumps
363 – 370	Dirt/Gravel	**CONSTRUCTION AT TIME OF WRITING (NOTE: This is where we had our blow out on our return trip. One large, sharp piece of gravel punctured our tire).
370 – 375	Dirt/Gravel	Hard-packed, loose gravel with some washboard and large gravel
375 – 380	Dirt/Gravel	Elevated road, hard-packed, occasional bumps, lower quality
380 – 415	Dirt/Gravel	Elevated road, hard-packed, loose gravel, large gravel at times
*** 415	DEADHORSE	YOU MADE IT!!
